Presidents report.

- Passwords
- One reason to recommend it is its encryption rate of 256
- The other is its free. <https://lastpass.com/>
- You can upgrade if you wish.
- My personal for online Password management is Dashlane <https://www.dashlane.com/>
- It comes in Free and Premium. \$29.99 PA
I went Premium. 256 bit encryption plus your passwords are stored off sight so you can access from anywhere in the world.

Presidents report.

- Install security software and update it regularly.
- They are your:
 - Anti-Virus, Anti-Malware and Anti-Spamware
 - Plus Always update the above as well as your Microsoft, Java and Adobe.

Presidents report

- Phone calls or Emails asking about your House Mortgage Or
- Asking about your bank or other accounts username or passwords. Or
- telling you Windows has a problem.
- Just hang up. **Scam.**

Neusance callers?

THE NEXT TIME YOU GET A CALL FROM A BLOCKED OR UNKNOWN NUMBER...

ANSWER IT AND WHISPER... "IT'S DONE, BUT THERE'S BLOOD EVERYWHERE!". THEN HANG UP.

The Government SCAMwatch website

- The best place to check if you think you are at risk of being scammed.
- <https://www.scamwatch.gov.au/content/index.phtml/tag/reportascam/>
- Check our Club website Home page for link to the above address.

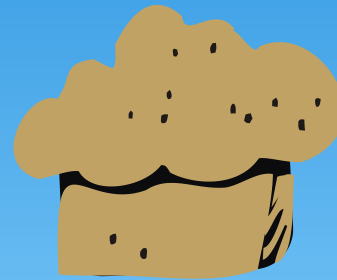

Presidents report

- Club newsletters had two sites you should check out.
- <http://www.opendns.com/phishing-quiz/>
- Practice makes perfect, well less prone to mistakes.
- <https://www.grc.com/x/ne.dll?bh0bkyd2>
- Running this test on your computer will see if you have any open ports. An open port could allow a hacker to access your computer and have access to your innermost secrets.
